Objective

To land a job that lets me capitalize on my impressive talent for turning everyday situations into stand-up comedy gold, all while perfecting the art of looking busy when the boss walks by. Seeking a workplace that appreciates witty banter, spontaneous interpretive dance breaks, and the occasional dramatic reading of Shakespearean insults during team meetings. Ready to bring laughter, creativity, and a touch of chaos to the professional world.
Just kidding. Just want a internship to put in my actual resume

Skills

- COMMUNICATION:

  I communicate, yes. Want to know how many ways I can communicate? All the ways. That's right. Need me to say stuff? I can do that.
  Want me to type some stuff? Done. Talk on the phone? Call me right now and guess what: I'll ANSWER SO POLITELY IT WILL AMAZE YOU

  Double Jointed

- can touch nose with tongue

  can make website in one night by learning all html and css altogether

  can complete entire harry potter in on day

  I can learn anything you give in scientifically impossible time

  won't list more skills....
